SUNRISE AT S.T.A.

A sunrise at S.T.A. is unlike a sunrise anywhere else. Unlike one at the beach. Unlike one in the mountains. It is unique, but then again so is St. Thomas!

The dawning of a new day finds deserted halls, empty, quiet and in a sense peaceful. It finds a parking lot free of radios tuned to favorite stations, free of students doing last minute homework and in a sense peaceful. It finds classrooms, unused and thus useless. No teachers, and no students but clean blackboards and thus in a sense peaceful. The cafeteria lights are out. All the chairs are pushed under the tables, crumbs are

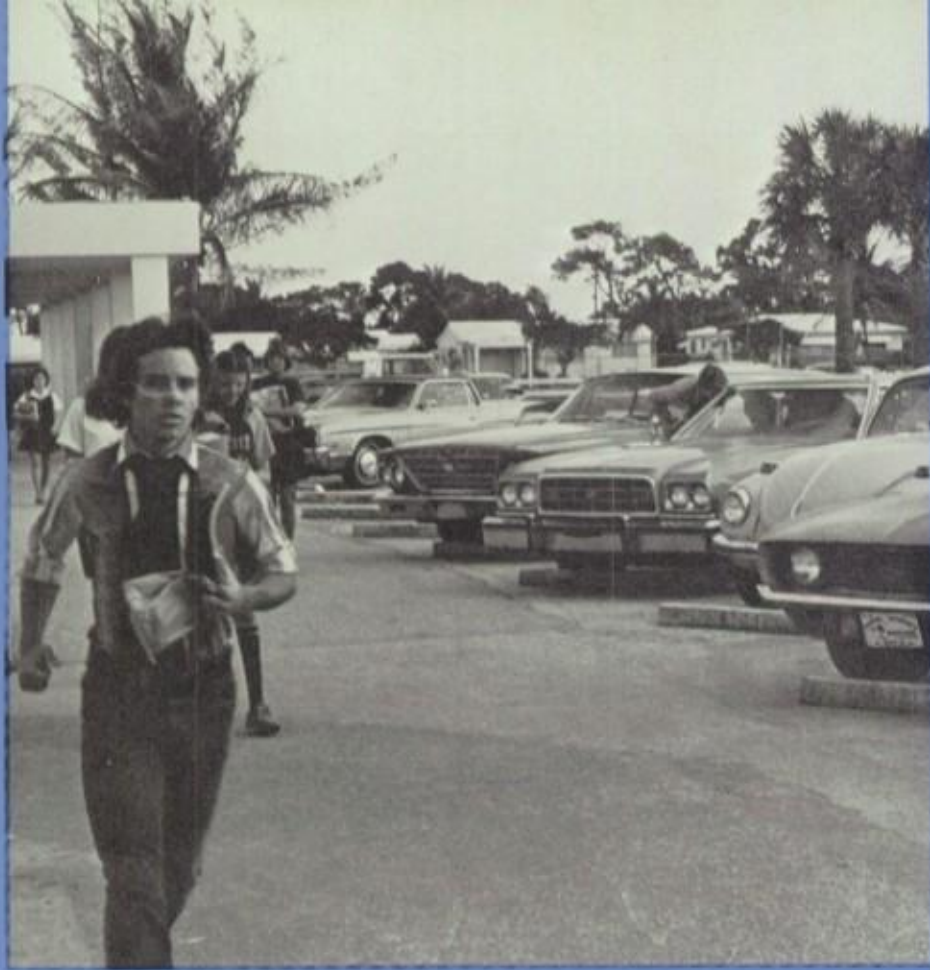

off the floor and the tables are empty and in a sense it is peaceful. The stadium and the gym are soundless. No lines to buy tickets, no cheering section rooting the team to victory, no trouble finding seats and thus in a sense peaceful.

But what good are deserted halls, empty parking lots, unused classrooms, a vacant cafeteria and an abandoned stadium? Even if it seems peaceful, schools were built to be used! Schools are just buildings without teachers and students.

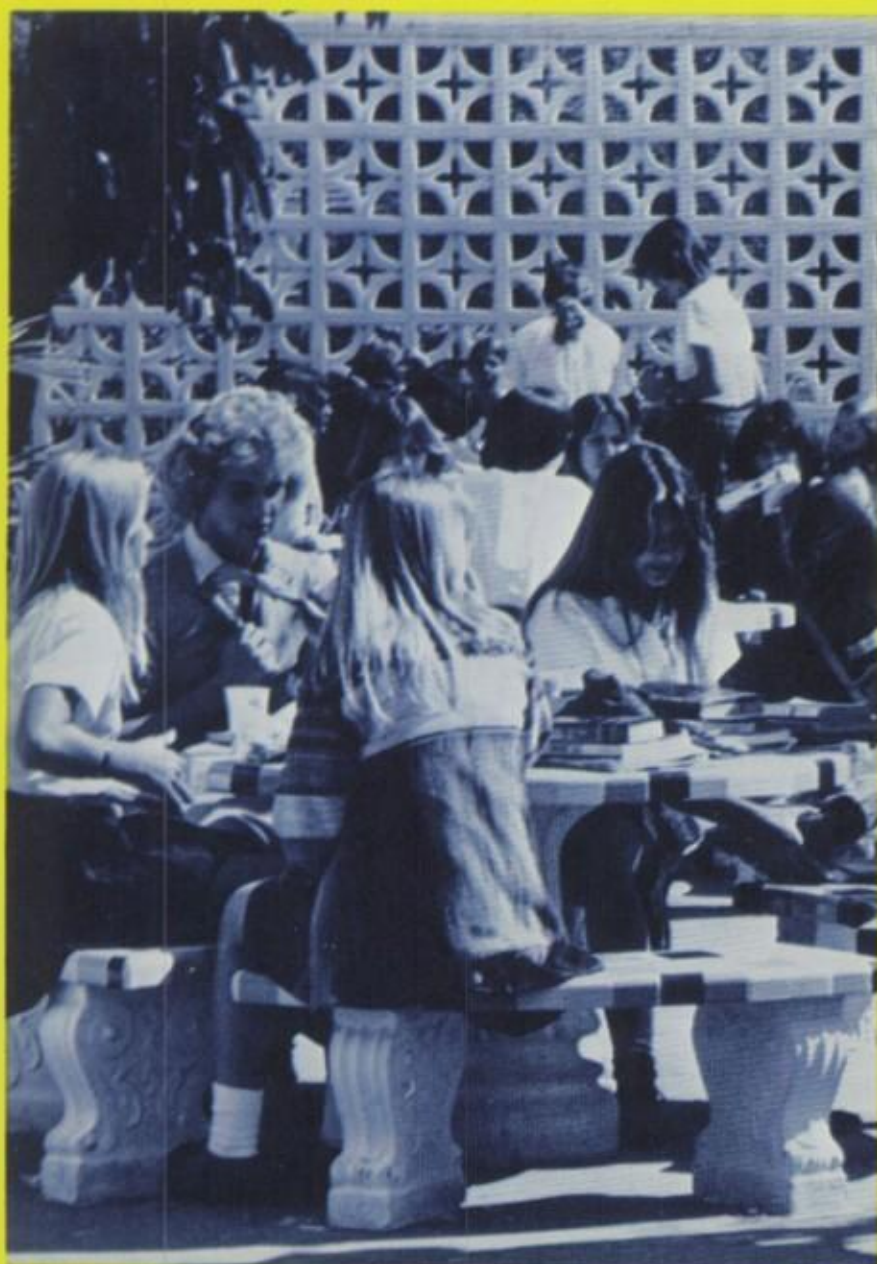

BEFORE SCHOOL

As the sun climbs in the east, the classrooms are opened and the gates are unlocked. Cars pull into the parking lot and students gather books, keys, purses and other paraphernalia and hike to classrooms. Some linger in the halls and catch up on the latest news of the day, others get help on a homework problem and some just rest before the official day begins.

Teachers arrive and find their way to mailboxes and homerooms. Many stop off for a cup of coffee before facing the first eager group of students. The ladies in the cafeteria begin to prepare sandwiches, hamburgers, french fries, and other goodies for lunch.

Things may not be as peaceful but schools need activity and people and St. Thomas is a school.

DURING THE DAY

From 8:10 am to 2:10 pm students armed with stacks of books file in and out of classes. Notes and books cover desks and students, with pens in hand, listen to lectures.

Crowded halls are the 'scene of students' as classes change every hour. The three minutes to change classes seem like a very short time to cross the entire school when classes are on opposite sides of the school as they usually are. A long lunch line faces students during the 24 minute lunch period in the mid-

dle of the day. Some choose to brown bag it while others select food in the cafeteria and seniors patronize local restaurants. Whatever the choice, students relax and have a chance to catch up on studying for classes still to come. By 2:10 pm when the final bell rings students are ready to close the books and head for club meetings, team practices, the library, and homework.

The school day though is not yet over. It has only just begun!

AFTER SCHOOL

Variety is the key to afterschool activities. Latin, French, Spanish and Russian clubs. Soccer, Football, Basketball, Track, Cross Country, Wrestling, and Baseball. Math Team, Future Business Leaders of America, Exchange and Exchangettes, Yearbook and Newspaper are just a few of the activities. There is something for everyone. And at times there are as many cars in the parking lot as when school was dismissed. Students sit on the wall and discuss the day's

events, tomorrow's activities and compare homework. Cheerleaders and drill team members practice to spark the team to victory. And the music from the band's practice fills the halls.

Things still are not as peaceful as sunrise, the sun is slowly coming down in the west but things are still continuing on at St. Thomas.

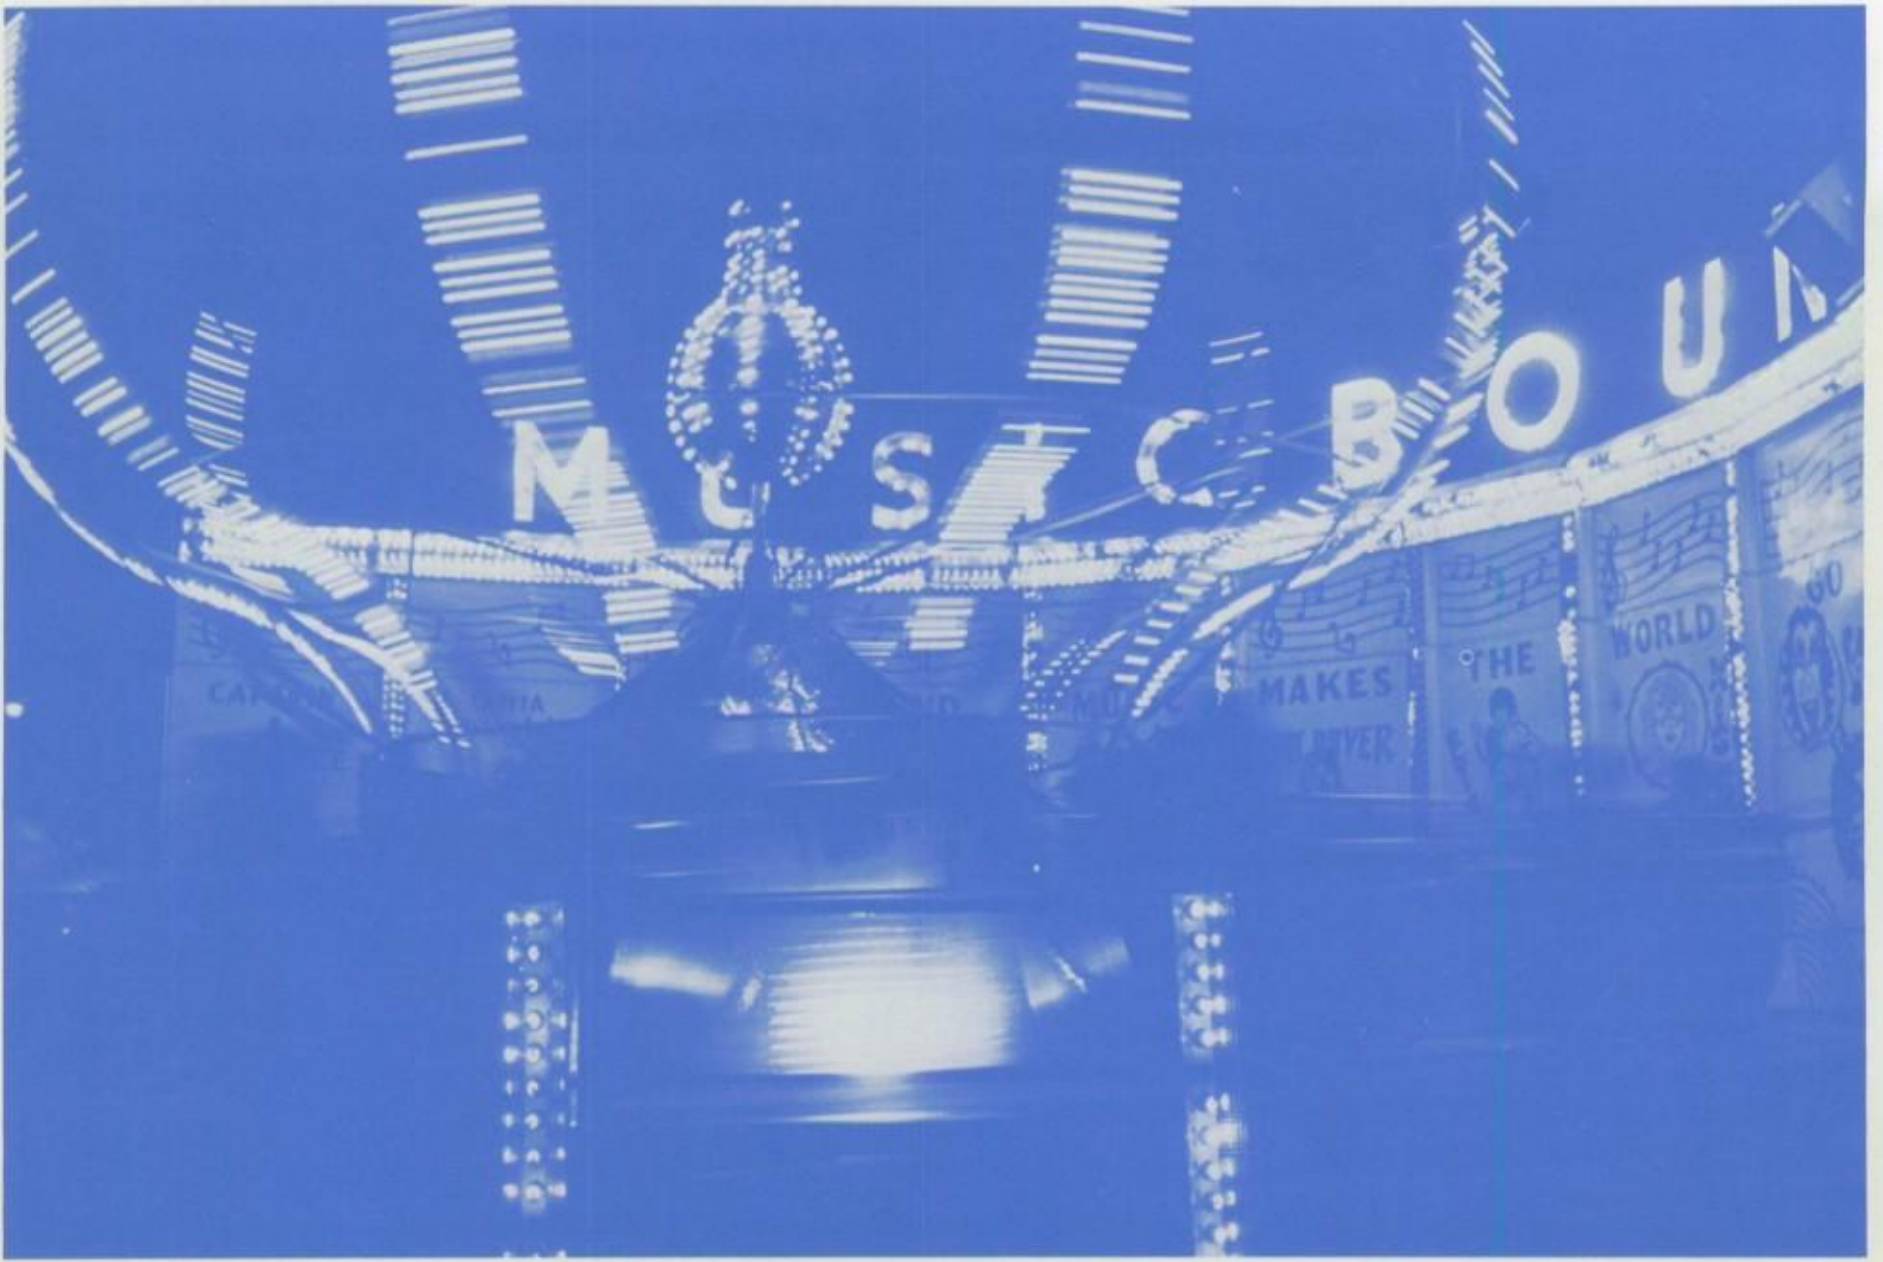

SUNSET

As the sun sets in the west, the clouds turn to pink and orange and continue to light up the sky. Cars again pull into the parking lot. Students no longer in uniforms have now returned to a sports event, concert, spirit rally or play. Sometimes parents accompany their children and sometimes they come alone to Booster Club meetings, Band Parent meetings or Carnival Committee meetings.

The sun has been down a few hours and again things are peaceful but the students at S.T.A. are involved. That is why it is not just a set of buildings but a school!

SUMMER 1976

On June 4, 1976, one month before the nation's 200th birthday, the bell rang for the dismissal of the last class of the school year. Good-byes were exchanged and tears filled students' eyes as summer had just begun. Many students did not think of school until the letter arrived to announce Book Sales, August 25th through the 28th. But for others school never really ended.

Students enrolled in Mrs. Gonzalez's Literary Theory class left school armed with a book list and headed to the library to read great literature. Others under the chaperoning of Sister John Norton left for four weeks in Europe. Paris, Rome, London, and excitement filled the trip as students learned about people in other lands.

Drill team members and cheerleaders attended camp to improve skills and develop new routines for the coming year. After seeing both in action, students could appreciate all the work and practice that goes into the cheers and entertainment for halftime shows.

Yearbook staff members attended a workshop at

South Plantation High School and labored over layouts, designs, and other aspects of working on a yearbook. The football team went back to work to prepare for the season's first game against Pace High School. Offensive and defensive plays needed to be worked out and practice was the key to a strong team.

Exchange and Exchangettes planned schedules to assist with book sales to aid anxious students the week before school began. Class officers met and worked on their calendar of events for the coming year. Senior class officers organized "Welcome Week" for the Class of 1980. Student Council Officers went to work the week school adjourned to plan the Homecoming for fall. They searched the county to find the perfect sight.

Many other students were involved in other activities this summer both related and unrelated to school. And when all returned the week of August 30th most agreed it was a great summer!

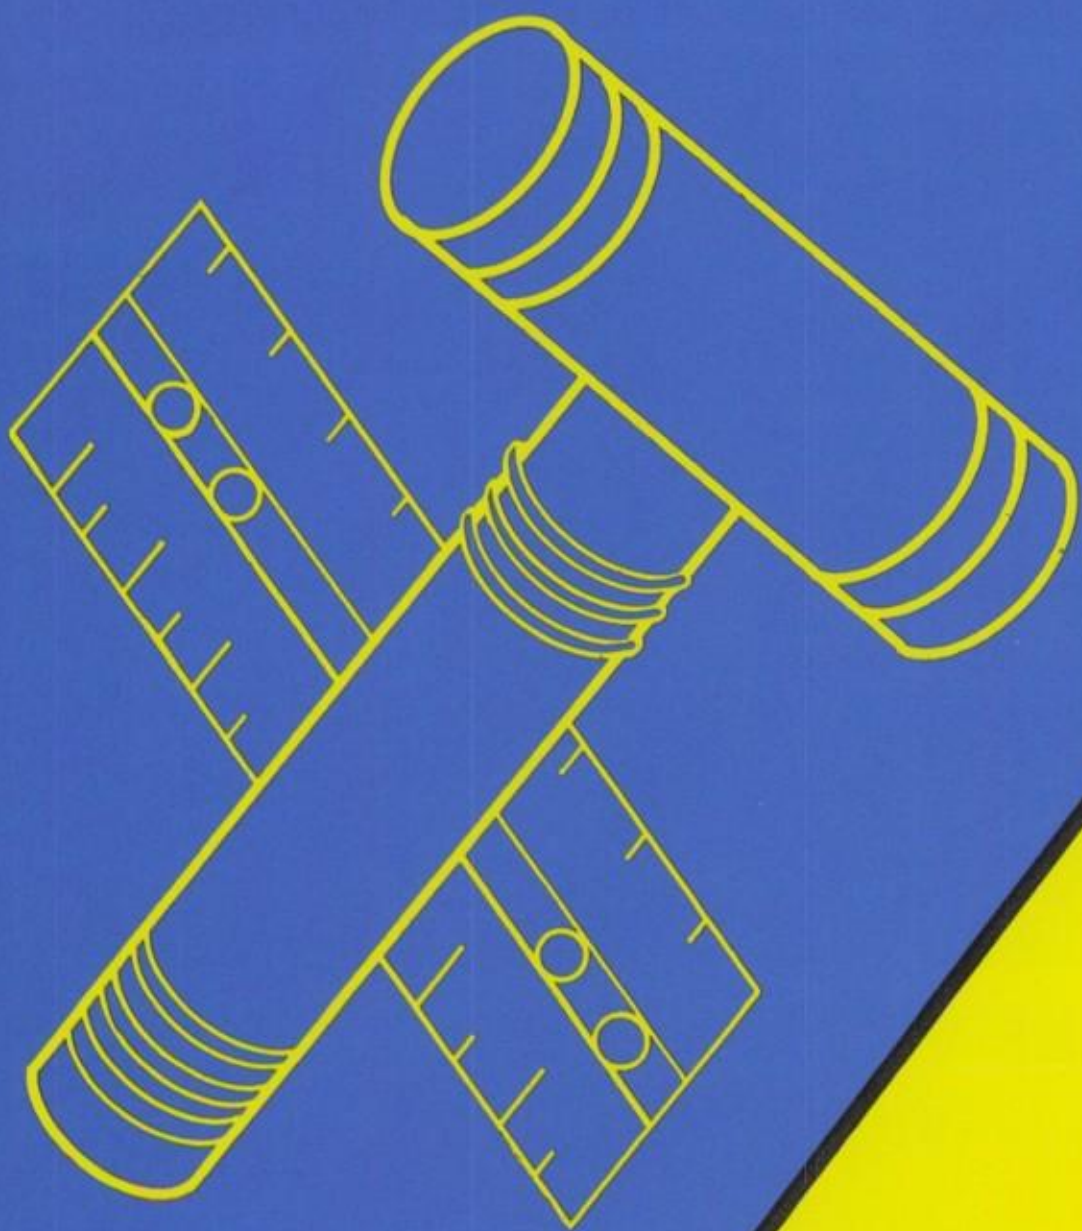

THREE DAYS

Yesterday . . .
Like mintage spent, is past recall;
It's echo dimmed beyond time's wall.

Tomorrow . . .
It never promised earthly man,
Nor does it often fit a plan.

Today . . .
Is gold that covers hills and dell,
And rich are they who use it well.

**Many persons
strive for high
ideals; and every-
where life is full
of heroism . . .**

Moan! That was the sound we uttered a mere three and a half years ago as we stared helplessly as a sea of savage Seniors swooped down upon us poor trembling Freshman.

But we survived this, and much more. Take Father Kelly's rousing orientation speech. Two hundred some "odd" freshmen spellbound by his great oration. And suddenly we were in homeroom, lumps rose in our throats, gads! we were in high school.

A myriad of activities were at our disposal, first sports. Our freshman football team was fantastic they went winless and scoreless, a record which has not been broken since. Our homecoming float however was even more impressive; a flatbed truck with goalpost, player and of course cheerleaders. The originality alone should have won us first place, but the judges erred and awarded first place to the seniors.

After homecoming, the inevitable occurred, election of freshman class officers. With campaigning and determination befitting a national election the candidates struggled to win that one vote that would insure victory. Then the day arrived, the multitude of freshmen were herded into the now "infamous" cafeteria, and under the watchful eye of Joe Deitz the votes were cast and the results were announced to the eagerly awaiting crowd. Deitz's voice rang out, "For Secretary Lisa Dudick, for Treasurer Teri Barrows, for V.P. Mary Ellen Wright, and for President Sandy Thomas."

The words hadn't even echoed, and the new officers swung into action. Within the next month many steps were taken to better the freshman class; our President was impeached and our Treasurer left.

Our remaining officers, however, managed to put on one of the best bon voyage dances that STA has ever known.

And on that note we move into Sophomore year. Experience had taught us well, with careful forethought we elected a group of officers which was to provide that touch of leadership necessary for success. This fact became most evident during Homecoming as we accepted second place for our fabulous juke box. At that very moment the Junior float collapsed. At this time we would like to thank our Sophomore class officers. Tim Matuseski, Mary Ellen Wright, Mary Ellen Walsh, Nancy Flanagan, and Gig Bailie for their help for. . . having us win, of course.

Our next venture was the Christmas dance:
"Twas the night of the dance and all through the hall,
not a creature was stirring not even Mr. Moll.
The answer was obvious, even plain to see, the kiddies
were gathered in the cafeteria happy and glee.

SENIOR RING DAY; SCOTT BYRNE GIVES MINUTES

The thrill of the evening, the event of the night, as
Jim Gunter strolled in, what a horrible sight!
A little red suit, and a nose to match,
Old Santa wasn't cold and we were sure of that."

The season passed and spring was upon us, and so was the Senior breakfast. An event that will be remembered in the hearts and the stomachs of the class of "75", who consumed 30 dozen eggs, 40 pounds of sausage, 500 rolls, and 2 cases of . . . alka-seltzer.

After a leisure summer, August arrived and so did the realization that we were upper classmen. Thus motivated we proceeded to win the Spirit Rally and float competition for Homecoming, a first for any Junior class.

With the taste of victory still on our lips, we looked ahead to Powder Puff. But the taste of victory soon turned sour as "Waters' Wild Weasels" whooped the tar out of our gals to quote President-elect Jimmy Carter.

But not a class to sulk in defeat or hold a grudge we moved ahead and organized one of the best Proms in the history of STA. Thanks to our officers Virginia Cayia, Nancy Flanagan, Gig Bailie, Chris Rock, and Elizabeth Maus. The place was Galt Ocean Mile, a luxurious "hotel", with an elegant ballroom: complete with sunken dance floor, seven piece band, and special lighting.

In return for our gallant efforts, the Seniors provided after Prom. The place was Fireman's Benevolent Hall, in the beautiful industrial section of Fort Lauderdale. As we walked through the door, we beheld a spacious concrete dance floor, elegant fold-up chairs, and a marvelous four piece band on loan from Hee Haw. Yes, ladies and gentlemen it was an event that will live long in our memories.

But the best was still to come, Senior year. A new concept started this year. Initiation became Welcome Week. Beanies were back and the torches were out. The highlight being the meeting of the Seniors and Freshmen in the cafeteria. For some reason we could hear the pitter patter of little hearts . . . Did the Freshmen not believe we would do them no harm? If they did they were fools, as we proceeded to dress them for the Parade of Fools. They came from all walks of life, frogmen, big birds, girls dressed as guys, guys dressed as girls, guys with eggs taped to their armpits, etc., etc., etc.

The wheels of time moved on, bringing with them Homecoming. Many long hours were spent preparing the Senior float, a rotating storybook depicting Little Raider Ridinghood. Thanks again to the engineer of this float, Tim Matuseski, and congratulations again to Sue Szugye our Homecoming Queen. Every Homecoming is topped off by a dance and this year the "blessed event" took place at Inverary. As usual the band was superb, however they did do one annoying thing, they played. Thus drowning out the beautifully taped-in music provided for us by the management.

On the sports side, the preparations for the big game had begun. Nails were polished and filed, makeup applied, and hair tied back in ribbons. It was not your ordinary varsity game, it was Powder Puff. The Mighty Seniors took the field against the Star Touched Juniors, and touched they were as the final score showed that the Seniors had won.

As you can plainly see by this brief account of the last four years the class of "77" has been a class of firsts and we will probably be remembered if not for anything else for having gone through more teachers, namely: Fr. McLaughlin, Mr. Franks, Mrs. Dearing, Mrs. Ferro, Sr. Joan, Mr. Keenan, Mr. O'Neil, Mr. Pace, Mr. Rogers, Mr. Wadley, Mrs. Eliot, Mrs. Angeluchi, Mrs. Rivas, Mr. Strathern, Sr. Albertine, Fr. Funcheon, Mr. Krepps, Mr. Moll, Mrs. Anderson, Miss Paulson, Mr. MacLeod, Sr. Catherine, Miss Underhill, Mr. Sause, Fr. Grogan, Miss Myer, and Sr. Dolores.

Looking back is always fun . . . but now to the present. It seems only fitting to thank those that made this Ring Day possible: Archbishop McCarthy, Father Kelly and Sister John Norton, the singers led by Cathy Witkovich, Mrs. Gonzalez, organizer Mary Ellen Wright, the author of this speech Henry Perez and last but not least me.

ACTIVITIES

FRESHMAN INITIATION

SEPT. 7-10, 1976

This year Freshman Initiation was changed to Welcome Week. The Freshmen were welcomed heartily by the Seniors for a full week. These photographs tell the story.

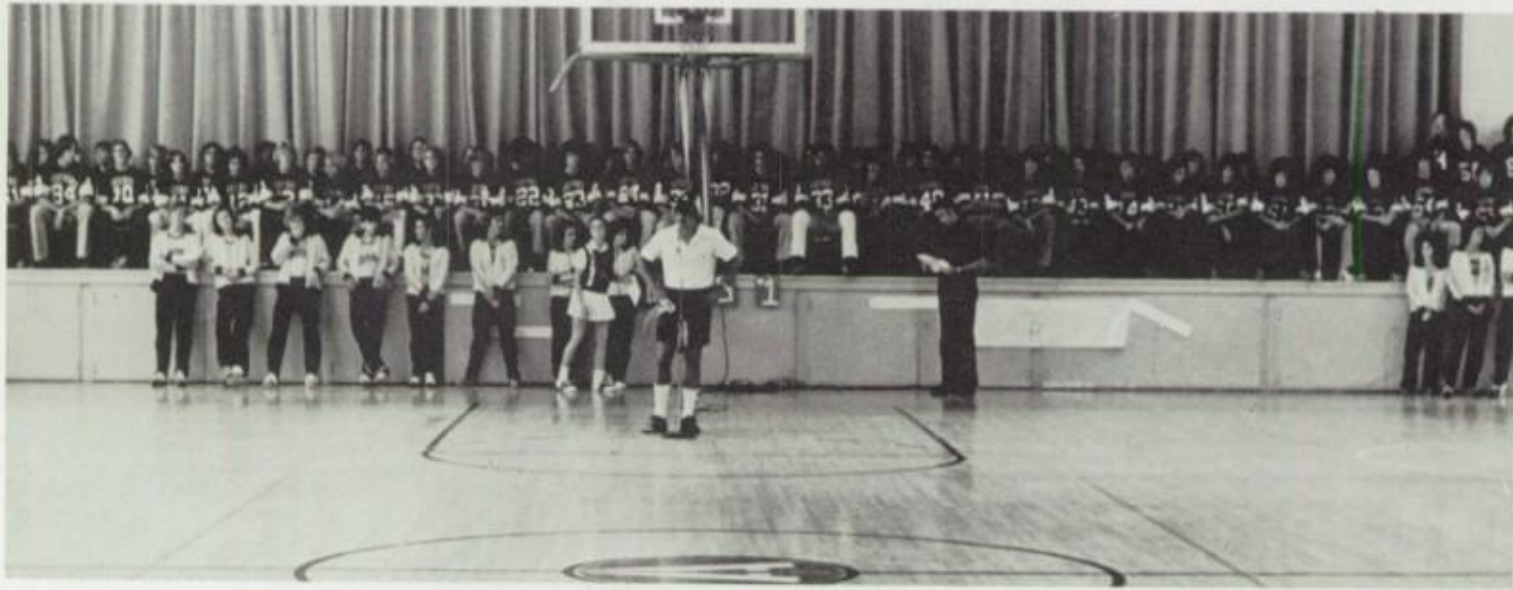

MOCK DEBATE

1976 was a presidential election year. Gerald Ford and Jimmy Carter were neck and neck as the race drew near a close. In the interests of a better informed electorate, S.T.A. held a series of Mock Debates in which spokesmen from both parties presented their viewpoints and were then cross-examined by bi-partisan student panels.

Organized by Robin Hassler, the debates were held on October 21 & 22 and set the stage for a Mock Election that was to be held the following day. The two party representatives, Mr. Tom Gustafson (Rep.) and Mr. Hugh Anderson (Dem.), did their best to convince a mixed crowd of skeptics and supporters that their man was best qualified. Spirits were high and buttons were apparent everywhere the day of the Mock Election. The winner at S.T.A. was Gerald Ford. However, on November 2 the nation elected a new president. Jimmy Carter was selected over Gerald Ford to guide this country in the next four years.

PEP RALLIES

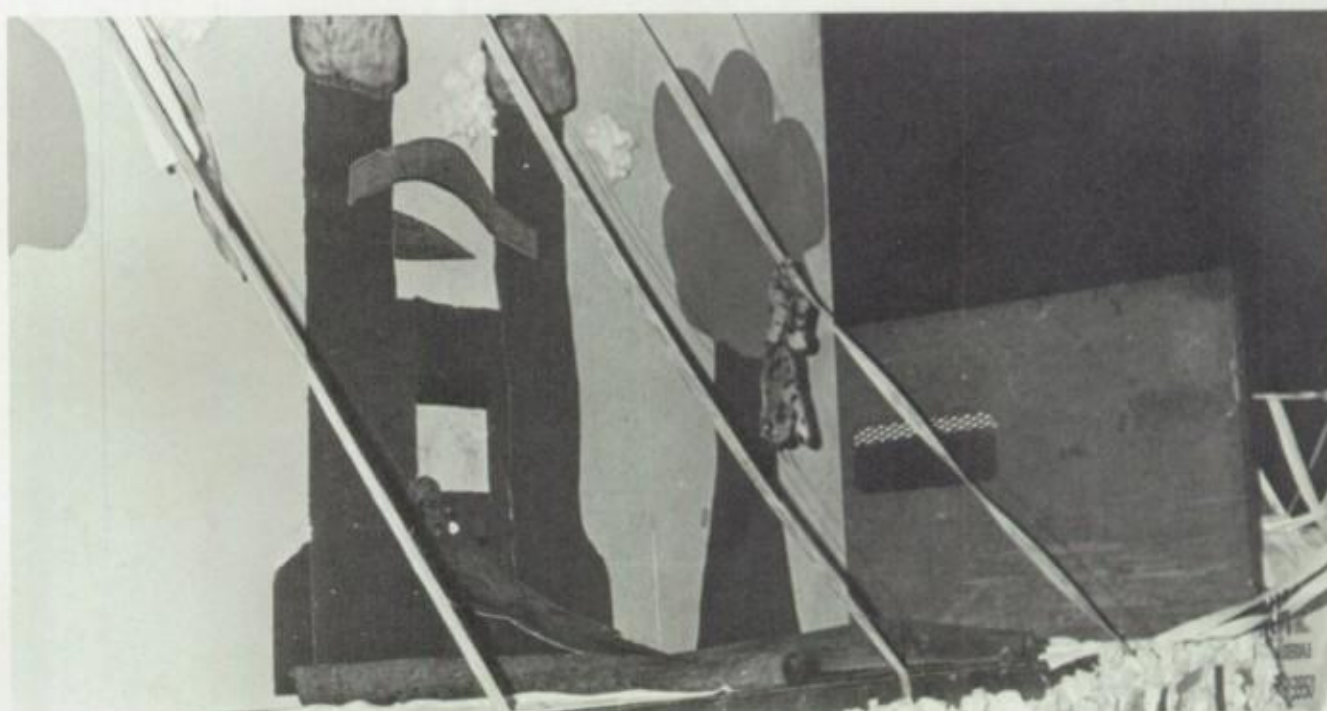

The Pep Rallies at St. Thomas are a tradition. Held prior to a game, they have spurred our teams on to victory.

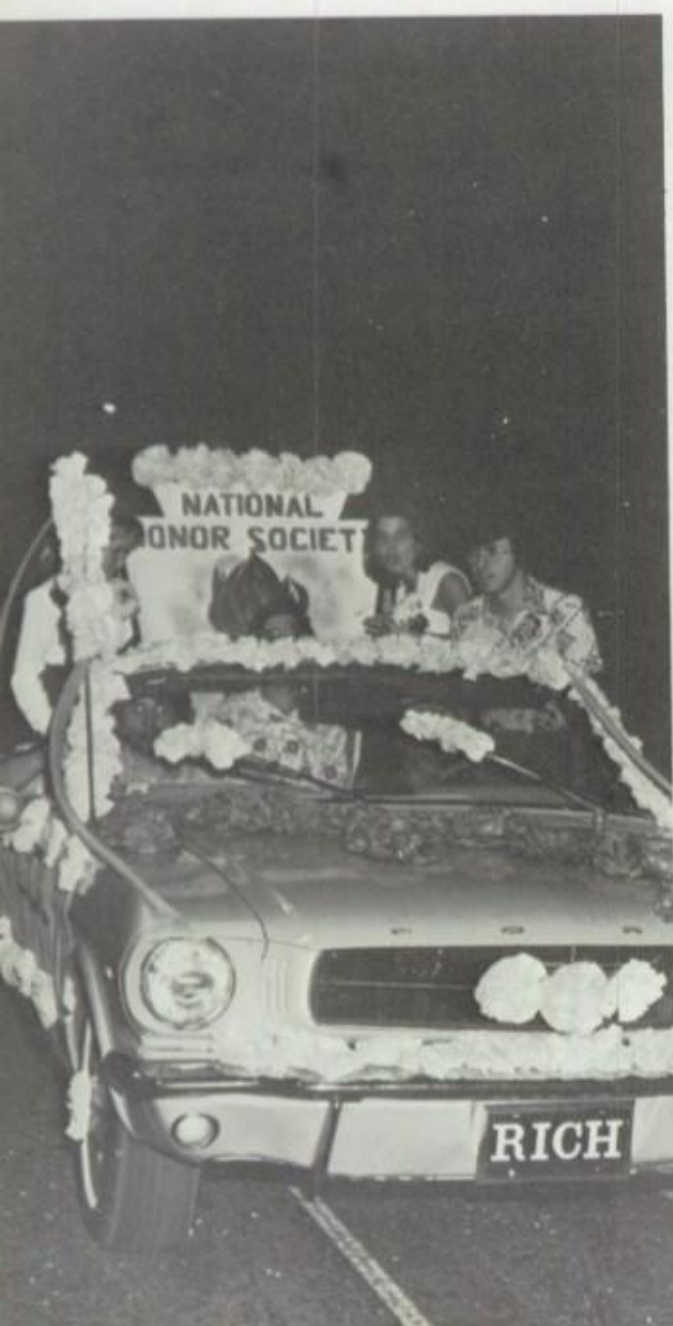

RAIDER FAIRY TALES HIGHLIGHT HOMECOMING

SENIORS-Little Raider Riding Hood, put an end to the Tigers.

SADIE HAWKINS DANCE

On January 28 a dance was held in the cafeteria. Straw covered the floor, haybales dotted the sidelines and to top it off the girls got to ask the guys. To all of the girls who had the gumption to ask, we offer our sincere congratulations!

**That man is a success
who has lived well,
laughed often,
and loved much;
who has gained the respect
of intelligent men
and the love of children;
who has filled his niche
and accomplished his task;
who leaves the world
better than he found it,
whether by an improved poppy,
a perfect poem
or a rescued soul;
who never lacked appreciation
of earth's beauty
or failed to express it;
who looked for the best in others
and gave the best he has.**
